IN THE NEWS

LMSA RECEIVES NATIONAL RECOGNITION

Langley Main Street Association has been designated as an affiliate Main Street America program by the National Main Street Center. Each year, the National Main Street Center and its partners announce the list of nationally recognized Main Street America affiliate programs in recognition of their commitment to generating positive change in their downtowns and commercial districts.

We also wanted to thank you! Without your continued support of our mission, LMSA would not have been acknowledged for the hard work our volunteers, committees, and board have put in to strengthen the economic, social, and cultural life of Langley. We are proud to receive this recognition, and hope you are too. It is a testament to the efforts put forth by everyone—after all, it takes a village!
