Your guide to participating in Deck the Doors

The holidays in Langley are a magical time—BUT only with your help. It's your creative decorations that make downtown Langley an enchanting outdoor art gallery this time of year—enticing visitors to stroll through the downtown corridor as well as lighting up the dark winter days.

Langley Main Street Association is bringing you Deck the Doors; providing an opportunity to cash in on your festive spirit. Whether you enlist the help of a talented artist or tap into some creative juices alone, your door could win you one of THREE \$1,000 prizes this year!

The rules are really simple this year!

Have your door decorated by the evening before Thanksgiving on 11/24/2021.

Relish all the compliments from customers and passersby.

Check out our Facebook page on December 11th when the winners are announced. And expect a visit from a festive bunch from the North Pole with check in hand if you are a winner that same day!

Here are a few tips...

The Basics

Think of street appeal by day AND night, as well as inside and out. Decorations should be as wind proof as possible.

Get creative!

Any theme you can dream up, from classy winter wonderland or reindeer and sleigh to Santa or Ebenezer Scrooge.

Think Inside the Box

Weave your products or services into your theme. This is great for marketing as well as cutting down on the cost of decorating supplies.

Sparkle, Twinkle, & Shine

Use white lights for continuity along the street and the lights LMSA has installed throughout downtown. Then keep them up into the new year.
