Committees are the backbone of LMSA's revitalization effort. It is at the committee level where members "roll up their sleeves" and get the work of the organization done from planning to implementation of specific projects and activities.

As a Committee member, we ask that you attend a monthly meeting, in addition to the following:

- Commit to 1 year of service
- Volunteer 3-5 hours a month in addition to monthly Committee meeting
- Always present the organization in a positive light to the community
